

ATLANTIS PARADISE ISLAND

EXHIBIT CUSTOMS REGULATIONS INFORMATION

Under Bahamas Government regulations, special concessions are made to groups bringing goods into the country provided the procedures are followed explicitly:

1. An itemized list of goods typed on your letterhead with a dollar value for each item must be faxed to the attention of the Atlantis Conference Coordinator, Dorlene Sawyer at (242) 363-6037 no less than 30 days prior to the show. This list will be provided to Laser International who handles the shipment.

The correspondence should contain the following information:

- Name of Conference**
 - Date of Conference**
 - Number of Boxes to be shipped**
 - Company Name**
 - Booth Number**
- 2. Upon receipt of this information, approval is requested of the Bahamas Government by Atlantis on your behalf to grant permission to bring in goods without payment of import duty. If this list is not received within 14 days prior to the show, we cannot assure exemption from import duty.**

An average duty is 52% of the value of the item

SPECIAL NOTE: Some items cannot be exempt from import duty and include:

- Food and beverage items**
 - Suntan lotion and sunscreen**
 - Disposable cameras**
 - T Shirts**
- 3. A copy of this itemized list of goods with the dollar value and all other information requested must accompany the shipment.**

4. Upon arrival in Nassau, a licensed custom's broker must clear all items. Atlantis utilizes Pinder's Customs Brokerage. They are provided with the authorization we receive from the Bahamas Government to allow your goods into the country. No goods are permitted into the country unless accompanied by a broker or items will be subject to import duty and/or seizure. There is a fee for this brokerage service, which is included with your shipping bill. Laser International accepts all major credit cards.

SPECIAL NOTE: If you intend to hand carry your supplies as luggage, Atlantis will still need to receive your itemized list 14 days prior to your arrival, along with your arrival date, flight number and time of arrival. Arrangements will need to be made to have a custom's broker meet you at the airport and assist you with clearance through Bahamas Customs. This is a special service and doubles the broker rate. If this procedure is not followed, the Bahamas Customs Department can detain your items and they may be subject to duty.

5. A detailed statement of actual charges will be provided to you within 15 days of your departure.

WARNING: WE CANNOT GUARANTEE SHIPMENT TO THE HOTEL IF A COURIER SERVICE IS UTILIZED TO SHIP DIRECT TO NASSAU. THIS INCLUDES FEDERAL EXPRESS, DHL, UPS, ETC. GOODS SHIPPED IN THIS MANNER ARE STILL SUBJECT TO CUSTOMS BROKER CLEARANCE AND CUSTOMS DUTY. WE DO NOT MAINTAIN A DIRECT RELATIONSHIP WITH ANY BROKER CLEARING THROUGH THESE COURIERS. GOODS SHIPPED TAKE A MINIMUM OF 3 DAYS TO CLEAR CUSTOMES – THERE IS NO OVERNIGHT DELIVERY. NONE OF THESE COURIERS ARE OPEN ON SATURDAY, SUNDAY OR HOLIDAYS. THERE IS AN ADDITIONAL FEE OF \$100 FOR CUSTOMS ASSISTANCE WITH COURIERS

6. In the event procedures are not followed and short-term shipments are required, contact Laser International direct at 305-633-4274 and Pinder's Custom Brokers at 242-393-3795 for assistance. There may be additional brokerage fees involved.
